

Questionnaire for post-docs in the AquaTNet domain

Please send the filled out questionnaire back to Marieke Reuver at marieke@aquatt.ie (and put Peter.Bossier@ugent.be in cc)

Objective:

The AquaTNet project (<http://www.aquatnet.com>) is currently trying to define the need for training for PhD students in the AquaTNet domain. The interest is very diverse among current PhD students. The AquaTNet project however wants to take the initiative to gather information among post-docs about their perceived needs for training during the PhD studies from post-doc perspective. Your input will help us to better define the skills and competences that are needed for a finishing PhD student. THANKS FOR YOUR HELP!
